

Scientific computing AI* assistants

SciComp garage is an online office hour where you ask about code, data, HPC, workflows, and more.

By researchers, for researchers.

* Actual Intelligence

SciComp Garage

ASK US ANYTHING

We help with small things right away. For big things, we can book a time and even meet in person. Online gives you the most diverse people, right away.

Zoom, every day, 13:00 - 14:00, come and go anytime. Time doesn't work? Chat or email to find another time.
